Visit to SS Great Britain

Tuesday 23rd November

While we had not planned to run another trip this year, after the very successful trip to Tetbury and Chavenage House - made better by the lovely weather and a delicious cream tea - we are contemplating arranging one further trip before the winter sets in.

Our proposal is to run a half day trip to SS Great Britain on Tuesday 23rd November.

The coach would leave BOA at 9.30 am arriving at the SS Great Britain about 10.30am.

We would spend 2.5 hours at the museum which should be ample time to enjoy a conducted tour of the museum as well as leaving time for a snack or drink or a walk along the harbour side.

The coach would leave Bristol at 1.15pm - arriving back in BOA by 2.30am.

By limiting the time we book the coach for we can offer this trip (including coach fare, museum entrance and guided tour) for £28.

This trip will only run if sufficient people are interested so if you are thinking of coming please let us know as soon as possible,
